THE MINISTER SECRETARY
BATICALL SECRETIF COUNCIL

SIMPLE:

Status of CIA Appraisal of Foreign Scomonic Intelligence Requirements, Facilities, and Agreengements Related to the National Security

TO THE PARTY OF TH

Memorandum for the DCI from the Executive Secretary, MSC, dated 1 September 1950, restatus reports on current projects

- 1. On 2 Revenuer 1950 the distribution of a draft paper entitled "Fereign Research Intelligence Requirements Relating to the National Recurity" to representatives of all interested agencies was completed. With this paper as a medium the callaboration of agency representatives will be obtained in the preparation of a statement of the overall requirements of the Covernment for essenced intelligence support. It is expected that a coordinated final draft of the paper will be completed by the December 1950.
- 2. At a meeting of representatives of the CIA, the MORD, and the Bureau of the Budget, on 9 October 1950, it was agreed that CIA would proceed to conduct the surveys of governmental agencies (exclusive of the Department of Refense) proviously continued in status reports on this subject, the Bureau of the Budget playing only a consultative role. Completion of the fact-finding portion of the survey by CIA is scheduled for 15 December 1950.
- J. All surveys, including that within the Department of Defence, are designed to obtain information of all occnosic facilities, including those which are or should be consumers, as well as those which are producers of economic intelligence or have unexploited intelligence potential. The survey of the Department of Defence covered all elements of the Department, not solely the

Army, Many, and Air Force.

is Tork continues in the preparation of final draft reports of the surveys of the agencies within the Department of Defence, completion being scheduled for 30 Bovenber 1950.
